

10 YEAR GUARANTEE FOR INSTALLATION AND PRODUCT

Resin Mixed Stone – Resin bound stone surfacing is guaranteed to be repaired for 10 years from installation date against: -

Workmanship – Loose stone – Cracking – UV Degradation – Colour change – Frost Damage
Subject to the conditions of the guarantee

Conditions of Guarantee:

- A suitable base eg Concrete or asphalt must have been provided i.e. solid, intact, clean, well drained.
- Our Maintenance and After Care information being followed

Our Guarantee does not cover:

- Damage caused by tree roots, sinkage, stress point cracking, deformation, reflective cracking, frost heave or any other failure of the underlying layers.
- Damage caused by excessive point loads (inc high heels) forceful impact or any other mechanical damage and abnormal usage
- Damage or staining caused by chemicals, fuels, solvents, water or any other aggressive external agent
- Slip resistance, but this can be re applied if necessary
- Any damage caused by repairs, or other work carried out on the surface or the underlying layers, or due to work carried out on an adjoining area.
- Drainage properties and any variations caused by the ingress of fine materials or any other causes
- Mineralogical variations (including rust spotting) in the stone which have an effect on its physical, mechanical or aesthetic properties
- Changes to the surface due to natural weathering and normal wear and tear
- Consequential and indirect losses
- This guarantee is not transferable.
